

Designed by Christopher Poehlmann

### ChrisCross Pendant

Made-to-order from aluminum with machined acrylic lenses, the ChrisCross pendant group can be configured in one to three light versions with intersecting arms capped with 7" long lenses illuminated by warm white LED light. Interesting angles and irregular forms make this pendant group shine individually or in groups.

Lamped with ETL listed replaceable LED modules at 12v ec. 2700K warm white light. Dimmable with ELV dimmers only. ELV transformer included along with matching canopy.
